REDEEM THE TIME FOR THE DAYS ARE EVIL

Understanding the Significance of Each Day of the Week, Daily Strategic Prayer Points to Redeem the Days from Evil and Receive Your Daily Allocation of Blessings

HELEN NAOMI GODSWILL-SOLOMON

Introduction

In Genesis 1:31, God saw that everything He created was very good, He made the days very good, finished His work of creation and rested. Mission accomplished and a job well done! Paul in Ephesians 5:15 tells us

"See then that you walk circumspectly not as fools but as wise, redeeming the time because the days are evil". What made the days created by God which God said "was very good" to become evil? How did the days become evil? To get the answer to this question, we must look into the foundation of the days as we have them today which is different from how God made them. Psalm 82:5 tells us that "….All the foundations of the earth are unstable". We are expected to have understanding of why and how the foundations of the earth that God created good suddenly became unstable and the days evil, otherwise we will walk

about in darkness because we do not know and understand and then end up dying like ordinary men due to ignorance. May the Lord deliver us from sudden death in Jesus name. May we not die because of ignorance. May we not perish because of lack of knowledge. May we not die the death of the shameful in Jesus mighty name. Amen. As we understand and pray strategically applying the atoning blood of Jesus Christ on all of creation, all things will be forced to align with the original purpose of God for them and for us in Jesus name. Amen Through this book "Redeem the Time for the Days are Evil", it is my prayer that you will gain understanding on how the days of the week became evil through being named after pagan gods, their dedication to idols and how these evil powers influence the days and cause evil daily. You will also understand how to pray daily to revoke the dedication of each day to these idols and redeem the days from every evil programmed into it. And then, restore the days back to the original will and purpose of God for each day so that your destiny and the destinies of others can be released to function as God created them to function. God has blessings for each day. Redeem the time and destroy the evils in the day, and you will receive the blessings of each day, for your

life, family, ministry, church, business, city, nations etc. and you will begin to live a life of victory. The Romans knew of seven bright objects in the sky: the Sun, the Moon and the five planets: Mars, Mercury, Jupiter, Venus and Saturn. The planets are named after their most important gods and they dedicated each day of the week to these gods. Sunday was dedicated to "the sun" god "Apollo" the god of enlightenment. By this name, it means the first day is said to be apollo's day and so are all the days said to be the days' of the idol gods they are named after. Monday – ("the Moon"), goddess of hunting, "Diana"; Tuesday – ("Mars"), "Tiw" the god of war hence the French call this day "Mardi"; Wednesday – ("Woden"), the Scandinavian "god of wisdom and commerce" linked with "mercury", the French name for Wednesday is "Mercredi"; Thursday – ("Thor"), the god of thunder linked with the planet "Jupiter" from which the French derived its name "Jeudi"; Friday – ("Frigga") the goddess of love, beauty, sexuality and seduction linked with the planet Venus from where the French got its name "Vendredi" which is the root of the name "veneral disease" for

sexually transmitted diseases through sexual immorality that this goddess promotes; Saturday – ("Saturn"), the Roman god of agriculture and time. The god behind the pagan annual winter solstice festival of saturnalia celebrated in December. The Greeks called the days of

the week the "Theon hermerai" which means "the days of the gods", but God created the days not the "idol gods" as we see in Jeremiah 51: 15; "He hath made the earth by his power, He hath established the world by His wisdom, and hath stretched out the heaven by His understanding". Why then are the days said to be "the days of the gods"? The use of the seven planets originated in ancient Mesopotamia and Egypt which were then adopted by the Greeks and Romans. They believe each planet is controlled by an idol god. This is contrary to the will of God. It is an affront to God, and He is judging this Babylonian pagan mindset. In Jeremiah 51:10-12, the Bible says, "The LORD hath brought forth our righteousness: come, and let us declare in Zion the work of the LORD our God. Make bright the arrows;

gather the shields: the LORD hath raised up the spirit of the kings of the Medes: for his device is against Babylon, to destroy it; because it is the vengeance of the LORD, the vengeance of his temple. Set up the standard upon the walls of Babylon, make the watch strong, set up the watchmen, prepare the ambushes: for the LORD hath both devised

and done that which He spake against the inhabitants of Babylon". God cannot share His glory with His creatures nor with anyone. The transference of worship towards any object other than God is idolatry, and this provokes God to jealousy. Exodus 20:2-5 says, "I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me. Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth

generation of them that hate me;" Everything created by God worships God only. God made all the days of the week, and all the heavenly bodies and does not expect them to be worshipped. Only God is to be worshipped, and the days are also meant to worship God just as all of creation is commanded to worship and give Him glory. God is not to be worshipped only one day but every day, 7 days of the week and all 365 days of the year. He only made one day the "Sabbath day" sanctified, set apart, blessed, hallowed and ordained for rest. Anything to the contrary is following a system put in place not by the God of the universe but by man under the influence of the antichrist system who seeks to change times according to Daniel 7:25, so as to wear out the saints and curse God. This whole system of naming the days of the week of cause is based on idolatry. Idolatry brings an evil covering over people and breeds sin. Idolatry causes the minds of men to be hardened and leads them to walk in disobedience to God.

That is why we must redeem the time and days from the evil thereof. God hates idolatry because through it, people love, serve and worship the elements instead of God. God hates it when men choose idolatry instead of worshipping Him as He commanded. The Chaldeans from among whom God called out Abraham worshipped the moon, sun, stars and other objects and for God to make a nation out of Abraham, He called him out of that system. Abraham could not enter into the next level of what God had for him while in Ur. He had to be called out. If you and I must maximize our potentials in life, we also must be free of the idolatrous system of worship inherited through the influence of Babylonian paganism. We must be delivered from the idols of our father's house. Hence, God lamented saying to all who have ears "come out of her". Satan hides behind these to make men who ordinarily

would not worship him to do so ignorantly and through this, he hijacks the blessings that are meant for people on a daily basis.

God has a purpose for each day, and He gave us the mandate to exercise dominion even over the days as well as over all of creation. We must enforce the will of God for each day through strategic prayers to redeem the time and days from evil. All of creation is waiting for the manifestations of the sons of God. The heavens declare God's glory day and night. Jesus taught us to pray and ask God to "give us this day our daily bread". If we must receive our daily blessings, we must redeem each day from the evil of the day. God created the heavens to give Him glory not to be worshipped. The sun, the moon, the stars and all of the planets are what make up the heavens. They were never created to be worshipped but to worship God. God's original ordinances for the heavenly bodies are clear. In Genesis 1:14-18, they are to be lights in the firmaments, divide the day from the night, for signs and seasons, for days and years, and the sun was to rule the day and the moon to rule the night. He made the stars also. These are the ordinances of the heavens. Once we know

these laws that govern the heavens and through daily strategic prayers, we can set up God's dominion on the earth and join the heavenly bodies to declare the glory of God as commanded in Psalm 19: 1-4; "The heavens declare the glory of God; and the firmament show forth His handiwork. Day unto day uttereth speech, and night unto night sheweth knowledge.There is no speech nor language, where their voice is not heard.Their line is gone out through all the earth, and their words to the end of the world. In them hath He set a tabernacle for the sun." Our responsibility is to enforce this command on all of creation to declare the glory of God and as we do this, only then are we able to live a life of victory daily. This book will guide as a daily devotional to pray right. It is a daily training manual in the art of praying. May you find it useful in the mighty name of Jesus Christ. Amen. Our understanding of the days of the week will give us the revelation we need to walk in wisdom and circumspectly as advised by the Apostle Paul in Ephesians 5, not as fools but as

wise to enable us redeem the time and root out the evil in the days. This book will also equip you with the knowledge of weapons of warfare to strategically pray effectively to destroy idolatry daily and enforce God's will so we can bring divine order into each day. Through these strategic daily prayers, we will enthrone Jesus as the Dayspring who according to Luke 1:78 has visited us through the tender mercy of our God to give light to those who sit in darkness and in the shadow of death, and to guide our feet into the way of peace. May you be delivered from every form of darkness physically and spiritually and from the shadow of death into the path of peace as you pray daily in Jesus name. Amen. You will not die. You will live to declare the works of the Lord and in your lifetime, you will fulfill purpose and accomplish much for the Almighty in Jesus name. Amen. God created the heavens to declare His glory, so the planets must declare His glory in and through each day of the week. Day after day pour forth speech and by the names they are called, each day is pouring forth speech that it is time to praise God. Every day is supposed to be representing the

heavens. That is why we are to pray that each day reflects each planet declaring the glory of God and not the glory of idols. But, the planet earth in rebellion through naming of the days after the heavenly bodies and dedication to idols the days are now deifying those idols instead of declaring the glory of God. We the men made in the image of God with God's delegated power and authority have dominion to enforce all of creation including the days to

praise God as mandated by God. Every day must execute the programs of these heavenly bodies over your life according to the purpose of God for them when He created them. To realize your full potential in life, you must know how to pray to stop the devil's plan which is to steal, to kill and to destroy. Satan's agenda is to usurp the day and hijack the blessings of the day, so you must stop him through your daily prayers. As we pray, Jesus will take His place in the earth each day and all the wicked spirits behind the pagan gods that the days are named after will be chased out of the earth and lose control of the day. Then, Jesus will arise as the Daystar in the

hearts of men. He will arise with healing in His wings to heal infirmities in the bodies of the sick, to heal families and marriages, to heal businesses and also to heal our land. All the days of the week belong to Jesus not to the idols they are named after and not to the gods according to the Greek and Roman beliefs who called them "days of the gods (theon hermerai)". In the beginning of creation, Jesus was there as the spoken word of God the Creator. He is the light in the sky to separate the day from the night. He is the light that serves as signs to mark seasons, days and years and to give light on the earth. The lights are the entry points that usher in signs, seasons, days and years. Jesus is that Light. From today, signs, wonders and miracles will begin to manifest in every aspect of your life. You will be ushered into a new season of a life of breakthrough and victory all the days of your life, you will spend your years in pleasure and live to a ripe old age full of honor in Jesus name. Amen

Nothing happens by chance; prayer changes all things and makes things happen. The path to a life of extraordinary exploits is through prayers and praying aright. The effective prayer of the righteous man produces results and brings answers to prayers. God the Father is waiting, Jesus Christ the Son is waiting, and God the Holy Spirit is waiting for your prayer. It is time to start praying. As you pray, the Godhead wants to execute the commands in your prayers. It is my prayer that as you go through the pages of this book, the Hand of God will come upon you to make you a prayer giant throughout your lifetime so that through you all the kingdoms of this world shall become the kingdom of our God and the will of God will be done on earth as it is in heaven in Jesus name. Amen May the Lord breathe upon the words of this book by His Spirit, may He multiply it and feed the multitudes.
